

New Jersey Deaf Housing & Triple C Housing, Inc. would like to determine interest in a proposed development

WOULD YOU BE INTERESTED IN MOVING HERE?

We are currently planning a development of
**8 RENTAL UNITS for
Individuals & Families
Located in Dunellen, NJ
Just South of Route 22 and Route 28.**

The development will include a community room only for Deaf and Hard of Hearing residents, and will allow easy access to public transportation, grocery stores, medical facilities, restaurants, and more!

In order to qualify, individuals and families must earn less than **30%** of the Area Median Income. In Middlesex County, **30%** of Area Median Income is:

\$30,000 for a household of One Person
\$34,300 for a household of Two People
\$38,600 for a household of Three People
\$42,850 for a household of Four People

Qualified households are expected to pay 30% of their Monthly Gross Income including most utilities.

In addition, the Head of Household **MUST** be diagnosed as being Deaf or Hard of Hearing

The project is not expected to be completed until 2025 but your input is important.

Please share your feedback and answers to the following questions to info@njdh.org.
